

BBRFC Celtic Player Sponsorship

Belgium's most international rugby club - the sponsorship opportunity

The Sponsorship Opportunity

BBRFC Celtic is the largest international rugby club in Belgium. The club has a history that dates to 1968 with players that originate from all over the world but reside in Belgium. With a membership of more than 400 and playing categories that encompass three men's teams, two ladies teams, a Touch Rugby section and a Rugby School with age ranges from Under 6s to Under 18s, our demographic is one that encapsulates the global flavour of Brussels today.

BBRFC Celtic as a sporting and social community is uniquely juxtaposed between Brussels' international and local communities. Whilst the club's roots stem from the expat "scene", many of today's players are born and bred in Brussels and very much Belgian. This demographic means that the club is ideally positioned to appeal to a range of sponsors from international organisations to local Brussels firms.

BBRFC Celtic is launching a new sponsoring opportunity: the player sponsor! A player sponsorship is a unique way to gain exposure for your business and show your support for the club.

Fiscal benefits of sponsoring a sports club

Every donation to a good cause makes a difference. In Belgium, supporting a charity or a general interest organization is encouraged by the tax authorities. For a company, a minimum donation of 40 euros allows a tax reduction of 25% of the amount paid. For individuals, this rises to 60% since 2020.

Once your agreement with the player is finalized, you can reach out to our treasurer who will provide you with an invoice: treasurer@bbrfc-celtic.be
